**Request for Proposal (RFP) for Third Party Evaluation of the Programme- Nationwide
Artificial Insemination Program (NAIP)
Implemented by the Department of Animal Husbandry and Dairying**

About Nationwide Artificial Insemination Program (NAIP)

1. Introduction

"Rashtriya Gokul Mission" has been launched in December 2014 with the aim of enhancing milk production and productivity of the bovine population in the country along with a focus on the Conservation and Development of Indigenous breeds.

A.I. is one of the key strategies to increase the productivity of bovines by upgrading their genetic potential. At present, the average A. I coverage of the country is only 30%. The rest of the 70% are either left unbred or bred with scrub bulls of unknown genetic merit. Low AI coverage indicates the poor implementation of the breeding Program.

Hence it has been decided to implement a campaign mode A.I. Program in districts with less than 50% AI coverage which includes 112 Aspirational districts. The rationale behind choosing districts below 50% A.I. coverage is that the districts performing above 50% coverage are expected to reach the targeted 70% coverage in the next five years. However, districts carrying out less than 50% A.I. cover is not expected to reach the targeted 70%

A.I. coverage within the same period. The advantage of a campaign mode program is that the work that is generally done in a year can be carried out in a few months, and it spreads awareness about the Program even in those villages which are not covered under AI Program thereby raising demand for AI in general.

For enhancing AI coverage, **Nationwide Artificial Insemination Program (NAIP) Phase I, II, III, and, IV** have been implemented during 2019-20, 2020-21, 2021-2,2, and 2022-23 in **609 districts** having less than 50% A.I. coverage. Under these programs, a total of 5.43 Crore bovines had been inseminated with the semen of high genetic merit bulls. Over 3.81 Crore farmers got benefitted through this program.

16. An illustration of Quality and Cost Based Selection (QCBS)

Method Example 1

A total of 7 bids were received by this date/time (any bid received after this date/time shall not be considered). Technical Bids covers of these seven bidders were opened and subjected to 1st stage examination of checking the fulfillment of minimum eligibility criteria by TEC/Sub Committee of TEC. Two bids did not fulfill these conditions. Hence, the remaining 5 bids were taken up for detailed technical evaluation as per para 16 and TEC, after checking various documents/details submitted by the

bidders, awarded following marks to these bidders.

Bidder Name	Marks allotted in the detailed Technical Evaluation by TEC
B1	53
B2	79
B3	62
B4	85
B5	75

As at least three bidders have obtained 75 or more marks, B2, B4 and B5, having obtained 75 or more marks shall be declared technically qualified. Financial bids of these three bidders will be opened on the notified date. Suppose the total cost of study quoted by these three bidders in their financial bids is as follows: Bidder Name	Total cost of study quoted in the financial bid
B2	Rs. 120
B4	Rs. 110
B5	Rs. 105

Using the formula LEC/EC , where LEC stands for lowest evaluated cost and EC stands for evaluated cost, the committee gave them the following points for financial proposals:

$$\begin{aligned}
 B2 & - 105/120 \times 100 = 87.5 \text{ points} \\
 B4 & - 105/110 \times 100 = 95.45 \text{ points} \\
 B5 & - 105/105 \times 100 = 100 \text{ points}
 \end{aligned}$$

In the combined evaluation, the combined technical and financial score would be as

under:

$$\begin{aligned}
 B2 & - 79 \times 0.6 + 87.50 \times 0.4 = 47.40 + 35.00 = 82.40 \\
 B4 & - 85 \times 0.6 + 95.45 \times 0.4 = 51.00 + 38.18 = 89.18 \\
 B5 & - 75 \times 0.6 + 100.00 \times 0.4 = 45.00 + 40.00 = 85.00
 \end{aligned}$$

Handwritten signature

The three proposals in the combined technical and financial evaluation would be ranked as under:

B2 - 82.40 (H3)
B4 - 89.18 (H1)
B5 - 85.00 (H2)

Bidder B4 having the highest combined score of 89.18 with the total cost of study of Rs. 110 in the financial bid would therefore be declared as winner.

Note: In case of tie, i.e., two or more bidders obtaining the same marks, final selection will be made as per following criteria.

“Bidder who has quoted lower total cost of study in the financial bid shall be declared as winner. If still there is a tie, **D/o AHD** will make the final selection by adopting a transparent and objective criterion in the presence of those tied up bidders.

17. Withdrawal of RFP

Department of Animal Husbandry and Dairying (DAHD) at its sole discretion, may at any stage of the bidding process, cancel the same, without assigning any reasons thereof.

18. EMD

There will be Rs.100000/- (Rupees one lakh only) EMD in this RFP. The bid security will be payable at “PAO, Sectt.-I, Department of Animal Husbandry and Dairying”

19. Performance Security

Performance Security may be furnished in the form of an Account Payee Demand Draft drawn in favor of the “**PAO, Sectt.-I, Department of Animal Husbandry and Dairying**” from a Commercial Bank or Bank Guarantee from a Commercial Bank.
